# Spring & Summer 2010 Golf Society Packages

Available from 1st April 2010

Located in 200 acres of rolling Welsh countryside and overlooked by Chirk Castle and the Welsh border mountains, Chirk Golf Club makes the most appealing society venue. The 18 Hole 'Captain David's' Course has won acclaim for fairness and flexibility - a Par 72 course playing as short as 5525 yards or, for the really ambitious, 7045 yards from the Tiger Tees!

The mature parkland in which 'Captain David's' Course is laid out once formed a part of the Chirk Castle parkland, and the Course is bounded by the beautiful Llangollen Canal. Each hole has been carefully designed and maintained to provide a firm but fair golfing challenge with numerous water features and the natural undulations of the countryside.

The 9 hole Par 3 'Academy Course' presents an ideal way to start the day - a true Par 3 course, it's possibly one of the finest Par 3 courses around.
